

## FALLOW STAG AND RED STAG HUNTING PACKAGE IN TOLNA COUNTY

### Overview:

Embark on an exclusive hunting experience on private, free-range hunting grounds in the scenic Tolna Hills, near Nagydorog. This region offers ideal habitats for big game, where an annual yield of up to 400 animals attests to the exceptional wildlife population. With its rolling terrain, scattered woodlands, and abundant resources, Tolna County is renowned for red deer and fallow deer trophies of outstanding quality, recognized nationally.

### Hunting Territory:

- Size: Approx. 4,000 hectares.
- Composition: 30% woodland interspersed with rolling hills and small forest patches.
- Wildlife: Red stags and fallow stags are the primary species, with an annual shooting plan of 25 red stags and 40 fallow stags.

### Recommended Hunting Dates:

- Red Stag Only: September.
- Fallow Stag Only: After October 20th.
- Red and Fallow Combo Hunt: From October 20th onward.

### Group Size:

- Maximum of 3 hunters for an intimate and optimal hunting experience.

### Accommodation:

- Stay at a cozy and comfortable pension in Györköny.
- Dining: Breakfast and dinner are served in the pension's restaurant, offering local flavors and hearty meals.
- Proximity: Just 15 km from the hunting grounds, ensuring convenience and efficiency.

### Program:

- 1st day: arrival to the hunting area at midday, afternoon hunting, dinner
- 2nd and 3rd day: morning and afternoon hunting, half board
- 4th day: morning hunting, breakfast, check-out, departure
